My name is Amanda Taylor, and I am a Certified Professional Accountant (CPA) with close to 20 years of experience in public practice. I am currently a Partner at Avanti CPA located in downtown Kamloops and have been with the firm since 2007. Throughout my career I have worked extensively with private and non-profit organizations, providing assurance and tax services. I look forward to collaborating with the club's members and Board to support its long-term sustainability and ensure strong financial oversight. Outside of work, you can find me with my husband and two young boys camping, biking and skiing together.

### **Why do you want to be on the board? (75 words or less)**

My family and I have been skiing with the Overlander Ski Club for over 15 years, and I believe being on the board is a great way to give back to a Society that contributes to such a fun outdoor winter activity for many local families. I enjoy teaching others about finances and helping to manage the financial health of a Society while supporting a sport that I love.

### **What Skills and Experience do you bring to the board? (75 words or less)**

I bring close to 20 years of experience in the accounting industry working with small and medium size non-profit organizations and corporate clients in public practice. I have also advised on board finance committees and presented at various non-profit AGMs in the community. I am able to assist and oversee various Society financial processes such as budgeting, payroll, and fiscal governance as well as contributing to the updating of bylaws and accounting policies and procedures.
